

COBALT BOATS

R6 OUTBOARD

Power, Performance, Luxury and Comfort.

Truly the next generation outboard.

Cobalt introduces the highly anticipated R6 Outboard, continuing to demonstrate Cobalt's commitment to the growing outboard market.

Never compromise your day on the water. With the all new Cobalt R6 Outboard, power, performance, luxury and comfort are all yours. Enjoy the versatile performance, styling and amenities demanded by discerning boaters, and always delivered by Cobalt - now combined with unsurpassed outboard power. The 25' 5" R6 Outboard sports many new and exclusive features including increased storage for water sports gear and larger Cobalt Glass Cockpit touchscreens.

With an interior beam measuring wider than most competitive runabouts, the R6 offers a roomy, expansive interior with plenty of room for passengers and their things. Plus, the double-stitched upholstery now offers new cool-to-touch Fresco Chil vinyl on the darker colors, that provide surface temperature reductions of up to 20° on sunny days.

As with all Cobalts, the swim platform is the back patio for social get-togethers. And the patented swim step makes it all so practical.

The dash-mounted phone cradle with wireless charging is a nice touch, as is the enhanced audio system with the well-placed standard six speaker configuration, but steps up a couple of notches with the Premium or Platinum options with dedicated tweeters, sub-woofers and mid-ranges for unrivaled sound.

These features, and many more, like several foldable tower options, an innovative new high-dock safety step, and a self-bailing cockpit make the new R6 Outboard truly the next generation outboard!
